RISK WARNING

Contracts for difference ('CFDs') is a complex financial product, with speculative character, the trading of which involves significant risks of loss of capital. Trading CFDs, which is a marginal product, may result in the loss of your entire balance. Remember that leverage in CFDs can work both to your advantage and disadvantage. CFDs traders do not own, or have any rights to, the underlying assets. Trading CFDs is not appropriate for all investors. Past performance does not constitute a reliable indicator of future results. Future forecasts do not constitute a reliable indicator of future performance. Before deciding to trade, you should carefully consider your investment objectives, level of experience and risk tolerance. You should not deposit more than you are prepared to lose. Please ensure you fully understand the risk associated with the product envisaged and seek independent advice, if necessary.
